

REMARKS

Applicant has amended the claims to more clearly define the present invention.

Applicant has amended the claims as published in the PCT application. Applicant submitted an Amendment in the PCT application, but it was not included in the published application.

Applicant does not request that the Amendment submitted in the PCT application be entered.

Because Applicant is not aware of any prior art which anticipates or renders obvious the claims presented herein, Applicant requests early allowance.

Should the Examiner believe that a telephone conversation will facilitate the prosecution of the above-identified application, the Examiner is invited to call Applicant's attorney.

Respectfully submitted,
